Mr. J. Edgar Hoover
Director
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Hoover:

Here is a book which Santiago Say y Pernia,
who you will remember as the Cuban Minister of
Interior during Batista's regime, just published
in Mexico.

Called Mirando a Cuba, it is a commentary on
the first nine months of Fidel Castro's regime,
written from the viewpoint of an exile. I have not
yet had a chance to read it myself, but some of my
people who have read it say it is very good. He
particularly wanted you to have this copy, which you
will notice he has autographed for you. It gives me
pleasure to be the means of its reaching you, and I
hope you enjoy it.

Sincerely,

C. P. Collier
General, USAF
